

Certificate IV in Community Recreation (SRC40206)

About SportFutures

SportFutures is an initiative of the State Sport Centres Trust (SSCT) to deliver quality traineeship programs to the sport and recreation industry.

The traineeship programs offered by SportFutures are nationally accredited and delivered by the SSCT's Registered Training Organisation, the MSAC Institute of Training. These programs are designed to assist organisations increase the knowledge and experience of their staff working in the sport and recreation industry, through a structured workplace-based training program.

Qualifications available for delivery include:

- Certificates II, III and IV in Sport & Recreation
- Certificates II, III and IV in Community Recreation

Course Overview

The Certificate IV in Community Recreation is designed to reflect the role of those who operate within a broad range of varied contexts that may be complex and non-routine. Leadership and guidance are involved when organising activities of self and others, as well as contributing to technical solutions of a non-routine or contingency nature.

Occupations include Recreation Officers (large facilities/organisation), Instructor in Charge, Duty Manager (and other titles) working in a recreation facility or environment. Employees supervise individuals or teams undertaking programs such as learn to swim, in a recreational facility.

Examples of the types of work this person could do are:

- act as Duty Manager to ensure smooth day to day operations of a specific area of a recreation facility
- supervise staff responsible for the operation of the plant and equipment of an aquatic facility
- organise the recreation programs and activities for a facility or organisation
- plan and conduct a variety of complex recreation events, activities or promotions
- coordinate Vacation Care/Holiday Programs for a recreation organisation/facility
- supervise a team of activity specific instructors (Learn to Swim programs).

Training Strategy

The MSAC Institute of Training develops a customised training strategy with clients to select the best training delivery options. The strategy is unique to each business and meets the needs of both clients and their employees.

The MSAC Institute of Training can provide customised training to clients through a range of flexible delivery options including:

:

- workplace-based training
