

Level 2 First Aid - Flexible Delivery

Course Overview

The Level 2 First Aid course provides participants with the essential skills and knowledge required to manage life threatening emergencies until professional medical help arrives.

Included in the program is training on Cardio Pulmonary Resuscitation (CPR), Occupational Health & Safety (OH&S), resuscitation and managing shock. Participants will also learn treatment for bleeding, burns, fractures, soft tissue injuries, exposure to the elements, cardiac and respiratory emergencies, diabetes, epilepsy and poisoning.

Upon successful completion of this course, participants will be accredited with the RLSSA Senior First Aid Award for the following units:

SRXFAD001A Provide First Aid
HLTCPR201A Perform CPR - the first 3 hours of the course cover this area
HLTFA201A Provide Basic Emergency Life Support
HLTFA301B Apply First Aid

The Level 2 First Aid qualification is valid for 3 years. Please note that in order to keep this qualification current for the 3 year term, you must have a current CPR qualification at all times.
