

Occupational First Aid Level 3

Course Overview

This course provides the occupational first aider with the more advanced knowledge and skills to carry out emergency first aid for injuries and illnesses in the workplace. It will also cover the use of oxygen, defibrillators and legislation relating to workplace first aid.

Course Award

On successful completion of this course participants will be issued a Statement of Attainment accrediting the following nationally recognised units of competency

- HLTF2A - Apply Advanced First Aid,
- HLTF3A - Maintain First Aid Equipment and Resources and
- HLTF4A - Manage First Aid Policy
- HLTF404A - Apply Advanced Resuscitation Techniques

Prerequisite

A current Senior First Aid/Workplace Level 2 Statement of Attainment is a prerequisite for enrolment into this course. Current industry standard is for this course to be updated every 3 years with the Advanced Resuscitation component being updated every 12 months.
